Visit [TexasTenStep.org](https://www.texas10step.org)

Texas Ten Step Designation helps facilities:

- Improve scores on national performance measures like
 - * The Joint Commission's Perinatal Care Core Measure Set which includes the evaluation of exclusive breastmilk feeding
 - * Centers for Disease Control and Prevention's Breastfeeding Report Card and the
 - * Maternity Practices in Infant Nutrition and Care (mPINC) Survey.
- Improve employee and patient satisfaction.
- Have a competitive edge in a competitive environment.

TEXAS 10 STEP
PROGRAM

The Health Care Provider's Guide To Breastfeeding App

An authoritative clinical resource for Physicians, Nurses, Dietitians, and other Health Care Providers.

This app puts the latest evidenced-based protocols and recommendations for breastfeeding in your pocket and at your fingertips for quick access. Get best practices guidance on lactation assessment, drug interactions and treatment of common maternal and infant conditions as well as resources for training staff and improving hospital maternity care practices.

Content includes:

- * Top Ten Issues
- * Index of Conditions
- * Evidence and Recommendations
- * Lactation Diagnosis Codes
- * Data and Statistics
- * Reference citations and quick links to journal articles, CME courses, and patient resources

Features:

- * Keyword Search – fast access to relevant content
- * Notes & Bookmarks – Highlight key content and/or bookmark it for future reference
- * Voice Notes – use voice dictation to take notes and save for easy reminders or references
- * Sharing – involve your colleagues by sharing notes and comments via email
- * No internet connection is required
